

ALIA **Boardroom Bound** is here!

What is Boardroom bound?

Boardroom Bound is the board succession planning programme for the Australian Library and Information Association.

Why does ALIA need Boardroom Bound?

To ensure ALIA continues to be relevant and influential in the Australian and international library and information science arena it is critical for the board to be composed of diverse, enthusiastic, appropriately skilled and visionary individuals committed to the profession and the association. There are many ALIA members who can fill this need. The Boardroom Bound programme will provide the opportunity for members to learn about the function of the ALIA Board and the role of the board director. It will also provide the means for ALIA members who have an interest in pursuing a future appointment to the board to develop their knowledge, skills and competencies in this area. The ultimate aim of the succession plan is to increase the number of high quality ALIA members available for board nomination.

How can I use Boardroom Bound?

The Boardroom Bound programme will evolve over the next few years. This year a Boardroom Bound web page is being released. It can be accessed from the ALIA website <http://www.alia.org.au/governance/board/boardroombound/>. The website will provide access to information about the board and the board nomination process including a timeline and nomination forms. It will also provide links to organisations that provide training opportunities and to key resources and readings. You can even register your interest in nominating for the Board and in doing so being allocated a Board Buddy (i.e. a current or ex board director) who can chat to you about the board and what is involved in being a director.
