

## THE ACQUISITIONS CONTINUUM: from source to supply and beyond

Monday, September 14, 9:00am – 4:30pm (Registrations from 8:30am)

Lecture Theatre E4.10, TAFESA, corner of Light Square and Currie Street, Adelaide

Acquisitions full day seminar *The Acquisitions Continuum* presented as a satellite event to the ALIA 2009 National Library and Information Technician's Conference, Adelaide, SA

*The seminar will relate to the resource life cycle including acquisitions, access and control, supply and demand, storage and preservation.*

Keynote speaker will be Derek Whitehead, former ALIA President and foundation member of the Acquisitions Group. Derek will provide an overview and reflection of acquisition processes and practices complementing a full program of presenters covering a range of topical issues related to the acquisition of resources for our libraries and information agencies.

Presentations will include selection and source; e-resources-their acquisition and management; access and equity issues; storage solutions and Web 2.0 technology in relation to acquisitions. The day will conclude with a panel of Library Technicians showcasing individual case studies of their role in the acquisitions arena incorporating hints and tips and a few trade secrets.
