South Australian Library Technician Meeting

Tuesday, March 10th, 2009

Attendees:

Martina Munn (Chair), Angela Jones, Ros Emms, Amanda Colbert

Apologies: Riina Sciacca

30th Anniversary/Reunion Library Technician Dinner

This meeting was held in the dining room of the Robin Hood Hotel. Before commencement of the meeting we were able to view the Function Room and found it to be well equipped, with a bar as well as a ceiling mounted projector.

The arrangement of tables is determined on the number of people who will be attending. The hotel will supply white table cloths and can arrange table centrepieces for some extra cost.

RE to liaise with Alela for decorations and report to the committee regarding cost. It is hoped that a “lucky number” – one per table can be allotted and that the winner can then take the decoration for their table home.

The menu was decided upon; 3 choices of Main Course and 2 from the Desert list:

Main Course:

1. Jamaican spiced chicken breast, red kidney beans, rice, spring onions & lime salsa
2. Atlantic salmon, as per special of the day
3. Char-grilled 300gm MSA Angus rump, potato gratin & béarnaise

Dessert:

1. Passionfruit cheese cake with passionfruit curd
2. Lemon tart with raspberry coulis

All function set menus are served with shared baby green leaf salads and individual Ciabatta rolls

Should anyone request a vegetarian meal in advance, the Mushroom & spinach risotto balls with roasted capsicum, tomato, artichoke hearts, rocket, almond parsley pesto & provolone picante may be possible.

The Menu for the evening will be in the form of a keepsake, in the shape of a laminated placemat. One side will contain the Menu with a picture of an oyster with a pearl/s the other side to have a montage of photos. The font for the menu is to be ‘Black Chancery 14’

MM to make and forward to the group for comments, changes/approval. Once approved, they are to be printed in colour.

Guest speaker still to be confirmed. Robyn Matthews is available. A small present for the guest speaker – something that may encompass a 30yr anniversary and also the plate that was left over from the workshop.

AJ to still to approach Deb Hill before confirming guest speaker.

MM to bring plate to the next meeting, look for additional item and report back to committee.

It was also found that the Registration Form had the incorrect day.

MM to change 'Wednesday' to 'Tuesday' and arrange the inclusion of the form on the Event Calender on the ALIA website.

In order to help pay for the deposit, please bring \$40, in payment for the dinner on the night of the next meeting.

MM to contact Riina and request dinner payment

Next Meeting, Wednesday 29th April at Fontana de Trevi at 6:00pm.
