1. Arising from previous meeting:

There were some problems with adding the flyer advertising the LibTech dinner to the list.

Action: RE will forward the flyer to AJ who will forward it to interested parties and in another format to the list.

Kevin Dudeney has expressed that the date for the Leadership workshop on July 25th is suitable. The Ira Raymond Room at Adelaide University has been booked.

Bungaree Station at Clare has been booked for the residential workshop for the last weekend in October. AJ has met the new representative of Raeco. However, since they have been taken over by Corporate Express, individual submission for sponsorship will have to be forwarded. This can only be done when the program for the workshop has been finished.

2. Using Credit Cards

This was an option that was considered, not for the LibTech annual dinner but as a payment option for Kevin's visit and the Bungaree weekend.

Action: AC to contact Anna-Marie Sviatko for more information on how to go about this.

3. Rebecca Evan's visit

Rebecca will be in Adelaide from June 1 to 3. It was suggested that we have a meal locally where she may be staying to share information, photos etc.

Action: KS will contact Rebecca to get her feedback.

4. New ALIA website

It was discussed to make better use of the ALIA LibTech page by placing our minutes and other announcements on it. Also to add coming events to the calendar.

Action: MM to do.

5. Workshop discussion

It was decided to do a Murder Mystery rather than have an after dinner speaker on Saturday night (25/10/08).

Various themes/slogans etc. were brainstormed:

Something with a country flavour	Clair country retreat
Murder in the bush / mobile library	Bungaree weekend bash
Bushranger theme	Bungaree library bonanza
Mobile library hijack	Bungaree Banquet
Incl. the Hawker Family	Be brilliant at Bungaree

*Action: MM to put a paragraph together for the list using some of the following phrases:
Learning; Sharing; relax; Prof. develop.; networking; opportunity; info. gathering; new initiatives; etc.
This is to be posted to the list with a request for expression of interest to be send to AC.*

Next Meeting Wednesday May 7th .
