

MINUTES:

ALIA South Australian Library Technician's Meeting

Date of meeting: 13th April 2010

Meeting time: 6.30 - 7.40pm

Present: Karen Bath, Rani Thompson, Jeanine Hooper, Jane Sellwood, Catherine O'Brien, Christine Rounsevell.

Apologies: Sue Gyles, Angela Jones, Theresa Dugis.

Agenda topics discussed:

1. Library Techs Day dinner: Rani presented 3 options, based on quiet restaurants in the city, with vegetarian options, it was decided that Kathmandu would be a good option.

Email the information re the dinner, to be sent out via Hayley Morton (ALIA SA), TAFE, SALIN, LIBTECH, SLASAnet Jane to do, needs to be done several times for reminders

Booking; Rani to check with the restaurant approximate numbers that can be accommodated and to tentatively book

It was decided that we would have lucky door prizes to encourage people to come, Christine to contact Mostly Books and Scholastic to see if they will donate a prize.

Jeanine to possibly donate Library Tech badges and other merchandise from ALIA

2. Quiz Night: This will be held at the Unley Citizens Centre on 29th May.

The email that has been sent out by ALIA is to be tweaked to encourage Library Techs and students to attend; this can then be put on Janison for TAFE students, SALIN, LIBTECH, ALIA SA, Karen to do, also forward to Christine to forward to TAFE library staff.

ALIA SA are looking for volunteers to help set up, Catherine will and possibly Christine.

3. Web 2.0 technologies: Karen spoke to Rebecca, a new graduate at Barr Smith, she doesn't know anything about Wikkis but will happily run a session about something. It was decided that a session should be held later in the year, after the next 2 events, August seems the most likely month.

Jeanine to send a list of SA ALIA events, so that nothing overlaps, look for free days in August. Karen and Jeanine to confirm suitable dates.

Catherine to contact Kate Sinclair after coordinating with Karen, to see if there is an available date at Eynesbury that will fit in with suggested dates, also to find out what requirements are needed from us.

Jeanine is willing to take an information session on Wikkis as she has expertise in this field

4. No other business

Next meeting is at the Ira Raymond Room on Tuesday 8th June, 6 for a 6.30pm start. Catering will again be organised by Karen and Rani.
