## Promoting your school library
### Target audience: School Staff

### Ways to use the film with your target audience

- show film at a whole staff meeting and/or new staff induction sessions to demonstrate what school libraries can offer
- show portions of the film to assist staff/departments with understanding that your school library can:
  - work collaboratively with staff
  - assist with cyber safety programs
  - incorporate research skills into existing or new units of work
  - promote reading
  - encourage lifelong learning
  - be an integral part of the learning process

### Resources to use

- include a link to the film on the staff portal and/or library website for easy access and promotion
- select sections of the video that could be shown to demonstrate these aspects
