Dear Ms Rae

Thank you for your letter and attached information agenda.

The Coalition will announce all education policies before the next election covering childcare and early childhood, skills and training, employment participation, higher education and school education.

The release of these policies will hopefully help to answer the nine questions you put forward in your letter.

These will be made available on the Liberal Party website when they are announced. You will be able to locate them at www.liberal.org.au and are able to subscribe to updates from the Liberal Party ensuring you don't miss out.

Once again, thank you for your correspondence. If you have any further concerns of a federal nature, please do not hesitate to contact my office.

Yours sincerely

Christopher Pyne
