RIGHT FOR YOU IF:

- Your library has an OverDrive-powered collection
- You receive questions from patrons on how to use the service
- You want to learn about new OverDrive features, services and materials

ABOUT THE COURSE PRESENTER

About the presenter:

Cassie Renner is a Training Specialist at OverDrive. She has hosted presentations for library staff all over the world, demonstrating how to use the OverDrive service. In her time at OverDrive, she has traveled to the National Book Festival in Washington DC, among other locations, to help educate the public about digital downloads from the library.

About OverDrive:

OverDrive is a leading full-service digital distributor of eBooks, audiobooks, and other digital content. We deliver secure management, DRM protection, and download fulfillment services for publishers, libraries, schools, and retailers--serving millions of end users globally.

OverDrive currently hosts more than 650,000 premium digital titles from more than 1,000 publishers, including Random House, HarperCollins, BBC Audiobooks America, Harlequin, and Bloomsbury. Their digital distribution services are utilised by more than 15,000 libraries, schools, and colleges worldwide. For two consecutive years, OverDrive has been named by the EContent 100 as a company that matters most in the digital content industry.

Founded in 1986, OverDrive is based in Cleveland, OH.
