

## AIP Publishing Conference Scholarship

ALIA is pleased to announce that a scholarship will be awarded this year to a current ALIA member to attend the ALIA Information Online 2023 virtual conference. This has been made possible by the generous support of [AIP Publishing](#).

The aim of the grant is to enable an ALIA member to experience the professional development and networking opportunities of attending a conference for the first time.

The grant will provide the recipient with one full conference registration to attend the ALIA Information Online Conference to be held on 17 May and 18 May 2023. The successful applicant will be asked to provide quotes for ALIA and AIP social media and newsletter campaigns.

The grant is open to all current ALIA personal members who have not previously attended an ALIA conference.

To apply, tell us how attending the conference will enhance your career and/or personal development.

Submit by sending your application to [events@alia.org.au](mailto:events@alia.org.au). Please include your name and contact information.

**The closing date for applications is 14 April 2023.** The recipient will be announced by the end of April 2023.
