The world seeks information
Could you provide it?
Do you have a passion for digital technologies and making a difference in people’s lives?

**Build** your career in libraries, archives and records, work in cultural institutions, universities, schools, hospitals, parliaments, TAFEs, law and government agencies as well as public, community and business organisations.

**Join** a profession that values truth, integrity and knowledge.

**Seek** team and leadership opportunities with internationally transferable skills.

**Choose** an Australian Library and Information Association accredited course:

- Diploma
- Bachelor
- Post graduate Diploma
- Masters
