

LIBRARY & INFORMATION WEEK

20–26 MAY 2019

The logo for Library and Information Week 2019 is a large, stylized letter 'I' composed of three overlapping shapes: a teal triangle on the left, a green triangle on the right, and a red circle at the bottom. The letters 'T', 'I', and 'K' are stacked vertically in white on the red circle. The background features various orange icons: a folder with a key, a document with an arrow, gears with people, a newspaper, and a handshake.
