

Call for expressions of interest for the ALIA National Library and Information Technicians' Symposium 2017

After a very successful National Library and Information Technician's Symposium 2015, the ALIA Board of Directors are seeking expressions of interest for the next National Library and Information Technicians' Symposium, taking place in late 2017.

The 2015 National Library and Information Technicians' Symposium was able to provide a low cost and high value symposium specifically geared towards library and information technicians' from around the country. The 2015 Symposium was very popular and well received by those in attendance.

We want the 2017 National Library and Information Technicians' Symposium to be just as successful and need your help to make it happen. We are seeking expressions of interest from groups, committees and individuals who would like to contribute their enthusiasm and build this event from the ground up.

Are you interested? Please refer to the [Symposium guide](#) for background information about the event and the information required in your EOI.

Contact Christina Granata or Bridgit Plummer on 02 6215 8219 or groups@alia.org.au for further information.

Expressions of interest should be submitted to groups@alia.org.au by 29 January 2016.
