PROFESSIONAL DEVELOPMENT NEWS AND ADVICE FOR LIS PROFESSIONALS

WELCOME

Welcome back to PD Postings in 2011. This edition comes from Queensland where there is great community spirit as we rebuild our flooded State. As our colleagues in school, TAFE and university libraries are starting a new teaching year, it's time to head back into our professional development too - Claudia.

Prepare! Trends for 2011

Gartner have identified the top 10 strategic technologies for 2011.

<http://www.gartner.com/it/page.jsp?id=1454221>

Trends aren't just about what's hot. Find out what's not by reading Gizmodo's list of 12 technologies facing extinction.

Future proof your library!

Watch! Personal information management

The start of the year is a good time to commit to good personal information management habits. The vodcast *Situating Personal Information Management Practices within an Organization* introduces research into PIM and will not only have you thinking about your practices, but how organisations can leverage this research.
